Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Notations on Schedule A of your report disclose apparent joint fundraising receipts; however, no transfer amount was reported on Line 12. In the case of a transfer from a joint fundraising committee, each participating committee shall report its share of net proceeds received from the joint fundraising committee as a transfer-in on Line 12. Each participating committee shall also file memo Schedules A itemizing its share of the gross receipts as contributions from the original donors. Contributions from original contributors whose total contributions to your committee have exceeded \$200 during the election cycle must be itemized on this schedule. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the election cycle-to-date amount of contributions made by this person. Please amend your report to provide the required information. (11 CFR § 102.17(c)(8)(i)(B))

2. Please provide a Schedule A to support the total amount reported on Line 11(c) of the Detailed Summary Page. Each contribution from a political party committee, PAC, authorized committee or any political committee must be itemized on Schedule A, regardless of the amount contributed. (11 CFR § 104.3(a)(4)(ii))
